## CUSTOMER FEEDBACK PRIVATE HIRE CUSTOMER REVIEWS

### Annemarie –Christening August 2015

"In August 2015, we held our son's Baptism party at The Cross Keys Inn. When we went to look at the venue, we were instantly impressed with the available space in the function area, the rustic feel of the place, and the laid back atmosphere and warmth. I liked the way the bar was easily accessible and also that there was the option of a separate bar if we needed it. Tom and the team were very helpful, talking through menu options, and coming up with something perfectly suited to us and our guests. The day itself was a real success. It was sunny, so we could open the doors and use the beer garden as well, something our guests really enjoyed. The food was fabulous and plentiful, and everyone I spoke to complimented it. I would definitely hold another event here, we found the whole thing really easy and perfect for our son's special day."

### Verity –Private Party 2015

"My friend and I held our 40th celebrations at the Cross Keys and what an amazing night it was. Tom & his team helped the evening go off with a bang and I will definitely recommend this location to others (in fact, I already have). The function room was the perfect size to house our 100 plus guests and Tom had ample staff covering the bar and kitchen which meant waiting times, wait.....what waiting times!!! Nearly a third of guests had booked themselves in for food and feedback from all of them is that they would be returning to eat here again. Overall this was the perfect location for our party and I cannot thank Tom and his team enough for being so helpful."

### Charlotte –Corporate Christmas Party 2015

"Everything was fab in the run up and on the night of our Christmas party. All members of staff I dealt with were helpful and efficient. We would definitely use you again and recommend you to others. Thanks"
